Orbit Technologies Ltd.

We have reviewed the financial information of Orbit Technologies Ltd. and its subsidiaries ("the Group"), which comprises the condensed consolidated balance sheet as of September 30, 2017 and the related condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the nine and three months periods then ended in accordance with Review Standard 1 of the Institute of Certified Public Accountants in Israel.

Based on our review, in our review report dated 29 November, 2017, we stated that nothing came to our attention that caused us to believe that the abovementioned interim financial information was not prepared, in all material respects, in accordance with IAS 34.

The accompanying financial information, which is derived from the abovementioned financial information, is condensed financial information and does not include disclosures required by IAS 34. If the omitted disclosures were included in the accompanying financial information, they might influence the user's conclusions about the consolidated financial position, results of operations and cash flows of the Company and subsidiaries. Accordingly, the accompanying financial information is not designed for those who are not informed about such matters.
